Dear Owner/Occupier,

### **Highway maintenance works: Clevedon Road, Tickenham**

As part of North Somerset Council's commitment to improving the district's roads, we will soon be completing carriageway surfacing works to Clevedon Road, Tickenham, from Old Lane to Moor Lane.

Before the surfacing works are completed, we will complete extensive civils and drainage works. The majority of drainage and civil works will be completed from the Parish Hall to Moor Lane.

These works are planned to commence on Monday 20th February for a duration of 10 weeks, finishing on Tuesday 2nd May. The works will be completed under temporary two-way traffic signals and will be in operation 24 hours a day, with works taking place between 8am and 5pm. A temporary pedestrian walkway will be in place to ensure pedestrian access is maintained throughout the works.

The carriageway surfacing works are planned to commence on Wednesday 3rd May for a duration of 15 days, finishing on Tuesday 23rd May. In order to carry out the works safely we will close Clevedon Road, Tickenham, from 8pm to 5am.

Pedestrian access to properties will be maintained at all times throughout the works, and there will be staff on site who will be able to advise you of access arrangements on the day/night.

Owing to the nature of the works, vehicular access may be impeded during the works, this means, for periods vehicular access will not be possible. Therefore, please reduce vehicular movement where possible. We will make every effort to keep disruption to a minimum throughout the works.

Should you have any queries with regards to these works, I will be pleased to discuss these with you. My contact details are shown at the top of this letter.

Yours faithfully,

Highway Operations
